

# Product Guide for Veterinary Clinics

*Designed for oesophagostomy tube comfort and recovery*

FeliFeed® Support Collars offer a washable, eco-conscious alternative to bulky bandages — helping protect oesophagostomy feeding tubes while reducing daily vet visits and complex dressing changes. Designed for cats (or small dogs) recovering at home, each collar supports short-term healing with comfort and dignity, easing stress for both pets and carers.

Made in the UK by Mabel Green Studio using sustainable materials, each pack includes:

- One collar (individually packaged in a recyclable, plastic-free bag)
- A step-by-step illustrated guide for carers

Safe to leave in place during radiographs, chemotherapy, and other vet procedures. We recommend placing a collar post-surgery and offer clients a second collar for home use — one to wear, one to wash. **For additional carer's guidance, including a visual fitting overview, please see page 2.**

 Design Features	 Clinical Benefits
<ul style="list-style-type: none"> <li>• Made with locally sourced, sustainable fabrics</li> <li>• Machine washable up to 30 °C (gentle cycle)</li> <li>• Adjustable Velcro® closure ensures a secure, comfortable fit</li> <li>• Reinforced buttonhole allows easy tube placement and accommodates most types, including Y-ports</li> <li>• Discreet loop at the base for attaching a cat's ID tag or small bell</li> <li>• Individually wrapped in recyclable, plastic-free packaging </li> </ul>	<ul style="list-style-type: none"> <li>• Supports short-term recovery at home</li> <li>• Minimises stress for carers and cats by simplifying daily care routines</li> <li>• Removes the need for complex dressings and bulky bandages</li> <li>• Reduces skin irritation and tube movement</li> <li>• Designed for comfort during supervised wear</li> <li>• Safe to leave in place during radiographs, chemotherapy, and other vet procedures</li> </ul>

Collar Sizes	Weight	Neck Size	Collar Length + Tab*	Collar Depth
<b>Extra-Petite:</b> Kittens	600g – 2kg	12 – 18 cm	20 + 5 cm	3 cm
<b>Petite:</b> Petite breeds such as Cornish Rex or Devon Rex	2.5 – 3.5 kg	16 – 22 cm	22 + 5 cm	4 – 4.5 cm
<b>Small:</b> Slim adult cats with short to medium fur (typical Domestic Shorthair body type)	3.6 – 5.5 kg	23 – 25 cm	28 + 5 cm	4.5 cm
<b>Medium:</b> Larger domestic shorthair or smaller fluffy breeds	5 – 7.5 kg	25 – 33 cm	34 + 5 cm	5 cm
<b>Large:</b> Large or fluffy breeds such as Maine Coon or Norwegian Forest Cat	7.1 – 9.5+ kg	28 – 40 cm	38 + 8 cm	5.5 – 6 cm

\* The Velcro tab fastener allows the collar length to be adjusted/shortened, to fit the cat's neck.

## Additional Support & Resources

### Additional Support for Carers

For a helpful visual overview, we recommend:

**“A Guide to Caring for a Cat with an Oesophagostomy Tube”**

Produced by iCatCare, an international charity dedicated to feline health and welfare.

Especially helpful for carers who are new to stoma care, this video provides practical guidance on feeding, hygiene, and comfort — including how to fit the collar correctly.

### Return Policy

We want you to feel confident and supported when ordering FeliFeed® Support Collars.

- If you mistakenly order the wrong size, we're happy to offer an exchange — provided the packaging remains sealed and the collar is unused.
- If a product arrives damaged, faulty, or not as described, you are entitled to a full refund or replacement. Please contact us within 14 days of receipt to arrange this.
- As a clinical-use item, we're unable to accept returns once the packaging has been opened, unless the item is defective.

This policy complies with the Consumer Rights Act 2015 and UK distance selling regulations.

For all enquiries, please email [hello@mabelgreenstudio.co.uk](mailto:hello@mabelgreenstudio.co.uk) and we'll be happy to help.
